

ACTIVITY REPORT

Submitted by: Pradip Somasundaran, India
SWY-6 (1994), Renaissance Education Group 2003

- 1) A website on Education and related activities was registered and hosted which is fully functional from 18.10.03. The website caters to all EX-PY's of SWY & SSEAYP programs of IYEO and will be having pages on program aims/objectives of Renaissance–Education, activity reports, photos, address and details of PY's etc. It will be improved and updated as time goes on depending on the interest and involvement of the PY's.

The address is <http://www.renaissance-education.org>

- 2) A seminar on "International understanding' with special impetus on Education system in Japan was conducted in "College of Applied Science, Vadakkencherry, Kerala, India. Photos, Video's of Renaissance Program 2003, SWY program, books, materials etc were used. The program was intended to update the student's knowledge on education and culture related to other countries. They were also motivated on the importance of taking part in Youth activities in their own country and also IYEO program's like SWY. The tremendous response to this program has inspired me to undertake more such programs in the future in more schools & colleges. The photo's relating the program can be found at <http://www.renaissance-education.org/pradip.htm>

Signed
PRADIP SOMASUNDARAN

Presented by: Pradip Somasundaran

Venue: College of Applied Science, Vadakkencherry, Kerala, India

In association with SWYAA- India & College N.S.S Unit

A Seminar on International understanding was presented by Mr. Pradip Somasundaran (SWY6) from India. Videos and photos of various activities of Renaissance-2003 were also shown on the occasion. The educational system in Japanese schools and universities was particularly stressed upon. The seminar was also aimed at educating and motivating the students to take part in international youth exchange programs like SWY.
